4 PERSONALITY GIFTINGS PART 1

THE 4 BASIC PERSONALITY TYPES

PSALM 23:1-3

The Lord is my Shepherd.
I shall not be in want.
He make me lie down in green pastures.
He leads me beside quiet waters.
He restores my soul.

The title of this series is "SOUL RESTORATION"

(NOTE: This was the original title. It has now been renamed '4 Personality Giftings')

PRELIMINARY NOTE

When I say "Soul Restoration" I am delineating between the _____ and the _____. Paul makes it very clear in I Thessalonians that man is a 3 Part Being - spirit, soul, & body.

Your Spirit Man is the part of you that is made in the _____. The day you get saved, your spirit-man goes from totally dead to pure, holy, righteous and in perfect union with God. I Cor 6 says, "He who unites himself with the Lord is one with Him in spirit."

But Your Soul is the basis of your _____. Your _____ and _____ flow out of your soul. (Examples of Thoughts & Emotions). On the day you are saved, your spirit-man is instantaneously made perfect and one with God forever, AND on that day . . .

God begins a _____ of _____ your _____

* * * 1947 CHEVROLET CLASSIC SEDAN * * *

If I go to a Junkyard and see a scrapheap of a car and someone tells me that at one time it was a 1947 classic sedan . . .

- > And I'm told that this scrapheap of a car is scheduled for destruction in a week
- > And I decide to Rescue that car (we were old scrapheaps rescued from destruction!)
- > And I make a decision that I'm going to Restore that car

IF I'M GOING TO RESTORE THAT CAR . . . What's my GOAL?

WEEK # 1 CON'T

RESTORING A CAR - to bring that car to the place where it is as though that car had . . .

- > Never had it's pistons burned
- > Never been dented
- > Never been kicked
- > Never been drug through the mire and the dirt and the filth of life
- > Never been scraped
- > Never been banged up
- > Never been abused

To bring that car to such a Beautiful, Healthy, Whole, Complete state that it's as though all the pains and scars of life had never touched that car. Isn't that what restoration is? When God says through David in Psalm 23 that He wants to . . .

RESTORE YOUR SOUL - as unbelievable as it sounds, He wants to take your thoughts and your crazy emotions and those attitudes and those wrong choices and those reactions -- He wants to take your soul and bring you to the place as though you had . . .

- > Never been burned
- > Never been scarred
- > Never been drug through the mire and the filth of this life
- > Never been dented
- > Never been kicked

He wants to make you Whole and Complete and Healthy! Some of you can't even believe that's possible - some of you don't think you even need it! Most of you are saying - could that really be possible? That's the promise of a series of studies called "Soul Restoration".

ONE MORE THING - at one time that car was show-model perfect, so in a sense you are restoring it to what it was at one time. None of you ever had a soul that was perfect - you've been sinful and rotten since the day you were born. When God restores our souls, it's not like He takes us back to what we were . . .

He takes us to something _____ than we ever have been

VAGUE QUESTION

"If I'm going to restore this car, what's the One Thing that I Have to Have in the garage if I'm going to successfully restore the car?"

A _____ on the wall.

> What's it going to be a picture of? A 1947 Chevrolet Classic Sedan in mint condition! <

If I take _____ years (Notice That Time Frame - that's what I'm talking about in the spiritual) to restore this car, how many times will I refer to that picture? _____ of times!
In fact, a picture isn't good enough is it? I want a _____.

WEEK # 1 CON'T

Suppose I Can't Find a Picture of a 1947 Chevrolet Classic Sedan, but I find one of a 1957 Chevrolet Classic Sedan - close enough, right? No! Maybe I find a picture of a 1982 Toyota truck or a 1973 Kawasaki motorcycle? How much Damage has been Done because in trying to restore our souls, we try to beat a '47 Chevrolet into an '82 truck.

YOUR SOUL - has a _____ . You are a special model! I'm talking about your thoughts, your giftings, your emotions - God has a _____ of you! That picture is as unique as your fingerprint, DNA, optic nerve, dental records, etc. You have a _____ of who you are as a _____ model!

The Question Is - do you know what the picture of you would look like if you were restored?

Would You Be . . .

More Ambitious	or	Less Ambitious?
More Playful	or	More Serious?
More Bold	or	More Peaceful?
More Hopeful	or	More Cautious & Analytical?
More Outgoing	or	More Quiet & Low-Key?

There's no right answer for everybody is there?

What is the picture of your soul?

The Most Important Thing I Will Say Over the Next 4 Months

To study Soul Restoration -- and we're going to dive into juicy topics in this series:

Generational Curses / Inner Healing / Demons & Demonic Oppression

In the midst of all these juicy, interesting subjects . . .

They're all _____ unless we have a picture
of _____.

WEEK # 1 CON'T

STORY OF HIPPOCRATES' RESEARCH

In 400 BC, Hippocrates (one of the most brilliant men who ever lived) began to publish studies of the personalities of man. He broke them down into four _____. Since Hippocrates published that information, for 2400 years every study has come up with the same conclusion - 4 basic personality types.

4 Different Ways of Listing the 4 Personality Types

1) Choleric, Sanguine, Phlegmatic and Melancholy

- a) Hippocrates
- b) Tim Lahaye - Spirit Controlled Temperament & Transformed Temperament
- c) Florence Lydire - Personality Plus

2) Lion, Otter, Golden Retriever, Beaver

Gary Smalley - The Two Sides of Love

3) Driver, Expressive, Aimiabes, Analyticals

Bob Phillips - The Delicate Art of Dancing With Porcupines

4) DISC

- a) Ken Vogues and Ron Brawn - Understanding How Others Misunderstand You
- b) Walk Through The Bible - Personal Leadership Development
- c) Sandy Calkin - Person to Person Certification

193 Years BEFORE Hippocrates Made This Study

God gave the prophet Ezekiel an incredible vision!

- 1) Ezekiel 1:1,4-6,10 - "the heavens were opened". What he's saying is "I saw things as they are in _____." This is man in heaven in his _____ state. This section is called the "four faces of man".
- 2) Revelation 4:1-7 - when you begin to study the four basic temperaments everyone says, "It's as though my _____ were opened!" You get eyes _____.

God Projected This Message - I want to give you a picture of my personality broken down into different aspects of man. Both times it's a man, a lion, an ox, and an eagle. What's amazing is if you take every scripture you find on an ox, an eagle, etc and compare them to all of these studies - and point for point it lines up right down the line!

WEEK # 1 CON'T

2 Over-Reactions You Can Have to Psychology

1. Throw it all Out - and say "if it's not in the Word of God I won't even read it!"
 2. Suck it all In - and consider it equal to the Word of God.
- > But when you find something in the Word of God and then psychology
_____ it, listen and learn.

We're Going to Take Weeks and pull out all the scriptures and show them to you. Next week we're going to pass out an individual personality profile test. But for today, I want to give you a . . .

BASIC INTRODUCTION TO THE 4 PERSONALITY TEMPERAMENTS

CONCLUDING THOUGHT

You can't identify generational curses unless you know your _____.

A Gift - is a _____ that flows through your soul. That river has been running since the day you were born.

A Generational Curse - is a gifting that has been _____ into a _____.
(Examples of Different Sin Habits). 80%-90% of all your wrong attitudes are generational curses.

You'll Never Understand Your Generational Curses until you understand your giftings and your parent's giftings.

WEEK # 1 CON'T
4 PERSONALITY GIFTINGS PART 1
THE 4 BASIC PERSONALITY TYPES
DISCUSSION QUESTIONS

- 1) Have you ever studied the 4 Basic Personality Temperaments? _____

- 2) Have you ever studied Generational Curses? _____

- 3) Have you ever heard the idea of explaining a generational curse as a river of a gifting bent into a sin habit? _____

- 4) How did you respond emotionally to the idea of God restoring your soul to the place where you are as free and joyful and healed as though you were never burned, scarred, kicked, dented and sinned against? What thoughts, emotions, and memories went through your mind at that point? _____

- 5) Can you identify your primary gifting and why do you think that is your gifting? (**Note** - there will be plenty of opportunities to discuss this point in-depth later in the course.)

WEEK # 2

4 PERSONALITY GIFTINGS PART 2

PERSONALITY PROFILE

5 REASONS WHY THE STUDY OF THE GIFTS ARE SO IMPORTANT

- 1) _____.
- 2) _____ and _____.
- 3) Your _____.
- 4) _____.
- 5) _____.

ROMANS 12

Romans 12 is about the Gifts. The first 2 verses say that you will better discern the will of God if you know the gifts. In the first 8 verses it says that you get along better with others if you know the gifts.

Verse 3 - "For by the grace given me I say to every one of you - do not think of yourself more highly than you ought . . .". This is the classic introduction to taking a personality profile! ". . . but rather think of yourself with sober judgment." 2 Thoughts on This -

- 1) Sober judgment is the sobering realization that although you're going to fill this thing out, your husband or wife or kids are going to fill it out on you too!
- 2) Judge yourself _____.

Impassioned Word of Counsel - any one of the 8 sources I've used, when you take their test very subtly it is conveyed to you that "I can't really trust you to discern what you're giftings are." They scramble the words and say "Don't think about it". Why? They don't trust you. They say: "Whatever the test says, that's what you are." That borderlines on manipulation, control, and even witchcraft - that's what astrology does.

Don't ever let a test tell you what you are.

This is An Evaluation Tool to help you confirm and personally analyze.

WEEK # 2 CON'T

At this point, please turn to the
DISC PERSONALITY TEST booklet and
 follow along as Pastor John comments on the test.
 Then return to this page for the conclusion.

IMPORTANT POINT ON "STRENGTH #43" IN PERSONALITY PROFILE

"Accepting of Others"

When we get into Inner Healing and start dealing with wounds you've had in your past . . .

>>> The "S" and the "I" can go through abusive parents, being beaten up, etc and they just _____.

>>> The "D" and the "C" - the "C" has a real hard time with _____ and dwelling in the past, and the "D" has a real hard time with _____.

When you go through Inner Healing, it's not just "what happened to you", but it's what happened to you intermingled with your _____.

2 EXTREMES TO HOW YOU CAN REACT TO THE SUBJECT OF GIFTS

1 - "Everybody ought to just _____". That is _____! The Bible clearly says over and over, "No you don't have to have all of Jesus' traits. No you don't have to be all the strengths of the 'D', the 'I', the 'S', and the 'C'."

2 - "Well, I'm sloppy but I'm an 'I', what do you expect?" "Well, sure I'm critical but I'm a 'C'!"

YOUR VISION

Find your Strengths and say, "That's what I'm called to be!"

Find your Weaknesses and say, "That's what Jesus wants to cleanse out of my life!"

When you learn about giftings, you really have _____ on other people.

WEEK # 2 CON'T
4 PERSONALITY GIFTINGS PART 2

1) Of the five reasons why the study of the gifts are so important, which one(s) are most important to you, and why? _____

2) By glancing at the personality profile evaluation, what do you believe your top two temperaments are? _____

3) How do you deal with Hurts in your life? Do you see clearly how your personality gifting can affect how easy it is to forgive someone? _____

4) How do you react to the subject of gifts? Do you fall into the category of either extreme? _____

WEEK # 3

4 PERSONALITY GIFTINGS PART 3 THE MEANING OF GENERATIONAL CURSES

> > INTRODUCTORY COMMENTS < <

PHRASE - "The apple doesn't fall far from the tree."

What does it mean? Children basically turn out _____!

> Premarital Counseling Example <

Romans 2:1 - "At whatever point you judge the other, you are condemning yourself, because you who pass judgment do the same things."

> Examples of Generational Curses <

I wonder how many of you have ever looked back at your parents as adults. Looking back at your parents in a balanced way is hard ---

- > Some love and respect their parents so much that they say, "There's nothing wrong with the way my parents raised me. I refuse to look at it!"
- > Some are so pained by the way their parents raised them that they shut out the subject!
- > Others look at the subject like they're trying to analyze an entire swamp.

I wonder how many have looked back at their parents with a clarity and they saw some TRAIT - and a Reaction hit them - "I don't want to be like that!" I wonder if in doing that, was there an underlying fear that somehow, some way that no matter how hard you tried to break those traits, they were going to chase you down?

4 Scriptures in the Old Testament That Repeat a Phrase

Exodus 20:5, Exodus 34:7, Numbers 14:18, Deuteronomy 5:9

" _____ the _____ of the fathers
upon the children to the third and fourth generation."

WEEK # 3 CON'T

I. "VISITING" = Hebrew word "PAQAD" - used in the O.T. 301 Times.

It is one of the hardest words to translate. Of the 301 times, it is translated into over _____
_____. I took 288 of the 301, and broke them into 6 major thoughts
that these words tend to be translated into:

- 1) 64 Times - to _____, _____, or _____
- 2) 98 Times - to _____
- 3) 22 Times - to take _____, be _____, or come to the
_____ of someone
- 4) 45 Times - to be put in _____
- 5) 33 Times - to _____, bring to a place of _____
- 6) 26 Times - to sway to a _____

Basic Meaning - to exercise _____ over a _____
that causes considerable _____ in their lives.

One More Point - over _____ the time - it's a very _____ word.

>> The subject of generational curses and the power of "PAQAD" is an awesome, horrible, and overwhelming concept. But just as awesome and just as powerful is the concept of _____.

IIa. "SIN" = Hebrew word "CHATA" - to miss the mark, to do a wrong
(a "Chata" is a _____ sin)

IIb. "INIQUITY" = Hebrew word "AWON" - to be _____, to be
_____, or have a _____
(a _____ toward a sin)

2nd Aspect of PAQAD - "TO COUNT"

The concept of "PAQAD" is that this power of influence so affects the person under you, that they in their soul count _____ of interaction. (List of Examples). (Story About John David).

WEEK # 3 CON'T

QUESTION

How do you identify which specific sin habits you are most vulnerable to receive from your parents?

The _____!

> Examples of John's Parents <

Where We're Going

To study Generational Curses without studying the Gifts is like going on a trip across Europe where you can't read the road signs and you don't have a map! (Example of Dwight Carter). To study the Gifts without using them to apply Generational Curses is like reading a map, planning a trip, and never getting in the car!

- 1) Personality Giftings - one per week.
- 2) Inner Healing - totally separate subject. Generational curses are rivers bent into sin habits. Inner healing is single instances of _____. (Scriptures/Examples).
- 3) Demons - a _____, many times attached to a wounding, that is determined to _____ you.

> > In those 3 Subjects is the concept of Soul Restoration.< <

3 ELEMENTS TO BREAKING GENERATIONAL CURSES

River Analogy

A Generational Curse is a River bent into a sin habit.
 That river flows through your Soul. That river is Not You. You are in a Canoe in that river.
 The way of godliness is to the left, the sin habit is to the right.
 You say, "I'm not going to the right", but which way is the current going? To the right.
 Sometimes you get so tired that you pick up the paddle and the canoe just goes.
 >>> How do you re-route that river? <<<

1st - begin to build Reefs or Barriers to try to stop that current from going that direction.

1 - _____ - using a reverse force of _____.

You say, "I'm going to find a pastor, elder, etc and _____ myself to them." Those who have the worst generational curses tend to be the most _____ to counseling. They don't trust the molding of authorities in their life.

WEEK # 3 CON'T

2nd - something Across the River that you really want to get there for.

2 - Something where you are _____.

One of the greatest deceptions you'll hear is, "I'm hurting so bad I can't give right now." Scripture - Phil 3:13-14. (Examples).

3rd - release a New River.

3 - Having a _____ of the _____.

NOT JUST - Saved / Baptized in the Holy Spirit / Praying an Hour A Day

It means _____ a _____!

WEEK # 3 CON'T

4 PERSONALITY GIFTINGS PART 3 THE MEANING OF GENERATIONAL CURSES

DISCUSSION QUESTIONS

1) Have you ever looked back at your parents as adults and seen traits in them that caused you to react and say, "I don't want to be like that"? If so, did you feel like those traits would chase you down, or that you could break them? _____

2) Which aspect of the word "VISITING" (PAQAD) impacted you the most? _____

3) Explain in your own words how a study of personality giftings can help you to break generational curses. _____

4) At this point, please list the generational curses that are most dominant in your life. (If you are Married, please also list the generational curses you think are most dominant in your Spouse's life.) _____

WEEK # 4

4 PERSONALITY GIFTINGS PART 4 THE EAGLE -- HIGH "C"

> > > Review of First Three Weeks < < <

WHY START WITH THE "C"?

When a person who has a lot of "C" characteristics feels attacked, they can be 30% "C", 30% "I", and 40% "S" . . .
. . . but the "C" _____ !

Result of That - you have a lot of people that are 20-40 years old that have been in an unstable environment, and you say "That's a 100% 'C'." Then they come to know the Lord and build security in the Lord, etc. and people say, "You have _____ so much!" They didn't change, they got out from a stress level and these other giftings began to rise up.

At this point, please Turn the Page and Fill in
the information about the "C" Gifting on the next two pages
as you continue listening to the sermon.

WEEK # 4 CON'T

 2. **Eagles have tremendous eyesight.**
2 Different studies suggest that an Eagle can see objects up to 40 miles away and can distinguish small bugs up to 200 yards away.
"Eagle Eye"
 3. **Eagles are loners.**
They are tremendously loyal to their immediate family and mate for life. However, they shun flocks and crowds and are very solitary.
Deut. 32:11, 12 – Like an eagle that stirs up its nest and hovers over its young, the Lord alone led him
 4. **Eagles have very sharp claws and quickly attack.**
Job 9:26 – like eagles swooping down on their prey.
 5. **Eagles have a very serious facial expression.**
Micah 1:16 – shave your heads in mourning, make yourself as bald as the eagle.
 6. **Eagles can hold a grudge for a long time.**
One family that captured and owned a wild eagle reported that the eagle was tremendously devoted to one member of the family, but that another member had "offended" the bird when they first captured it. For 15 years the eagle tried to attack this particular family member every time he saw them.
Ezek 1:10 / 10:14 / Rev 4:7
 7. **Young eaglets don't know the skills of flying.**
The parents spend up to 2 years teaching the eaglet how to discern the updrafts and to avoid the down drafts. They must learn to let the wind carry them to new heights.
Deut 32:11 – Like an eagle that stirs up its nest and hovers over its young that spreads its wings to catch them and carries them on its pinions.
Proverbs 30:18, 19 – There are three things that are too amazing for me, for that I do not understand. The way of an eagle in the sky, the way of a snake on a rock, the way of a ship on the high seas, and the way of a man with a maiden.
 8. **When properly taught, eagles can soar higher than almost any other living creature.**
Obadiah 1:4 – You soar like an eagle and make your nest among the stars.
Proverbs 23:5 – fly away as an eagle toward heaven.
1. **"C"s Have high standards.**
Everything must be done "Just Right".
 2. **"C"s have tremendously quick perception of "details".**
They see the little things that need to be done.
 3. **"C"s have very deep loyalty to a very few people.**
But they are uncomfortable in crowds and are very solitary people.
 4. **"C"s can be very negative and critical.**
 5. **"C"s can be overly serious and have a serious facial expression.**
 6. **"C"s can tend to hold grudges for long periods of time and dwell on the past.**
 7. **"C"s have to be taught.**
They must be taught how to avoid the down drafts of depression and how to let the updrafts of the wind of the Holy Spirit do the work rather than beating the air with their own effort.
 8. **When properly taught, "C"s can soar and reach heights of understanding and freedom in God's presence that few have ever experienced. They also can achieve individual accomplishments that others stare at in wonder.**

THE MAN -- HIGH "I"

INTRODUCTORY COMMENTS

There's one REALLY DEEP THING that I want you to begin to have impressed on your heart for the rest of your life.

In Ezekiel 1, Ezekiel 10, and Revelation 4, we are presented with a picture called the four faces of man which transcends into the four personality giftings. The thing that we can tend to forget as get excited about our horizontal revelations is that although these are the four faces of man, 71 times in the gospels, Jesus called Himself the "Son of _____".

The Deepest Revelation you could get out of this is a _____ of Jesus Christ that is much _____ than you've ever seen before. (Example of "C").

You have a Tendency to Value only _____, and give little value to _____. If you let the Spirit of God open your heart and mind, you'll come to a place when someone says "What do you see in that person?" and you'll say, "I see _____." (Example of "S").

Ezekiel 1:1, 4-5, 10

- > Verses 4-5 - an image of purity or perfection.
- > Verse 10 - man in his perfect state.
- > The significance of the four faces of man is that it's a _____. We're told five times that this is a picture of man in purity and perfection. This is what you will be like in heaven.

- > Ezekiel 1 isn't a list, it's a picture. It's not just given one sentence, it is expanded and fills all of Ezekiel 1, 10, and a huge portion of Revelation 4. In all three cases, it's the main message of the chapter.
- > The four faces of man is not another cute teaching on the gifts, it's the most important study of the gifts. Fruitwise, that's the way it is too.
- > * Review of DISC Series *

Of the four giftings, which is the one that enjoys a good fight? The ____!

3 Traits of the "D"

1. D's enjoy fighting to _____.

How Much "D" Do I Have?

If there is a goal to be accomplished and I must initiate hard conflict to achieve this goal, how do I respond? The I, S, and C -- at the thought of initiating conflict, something in them gets torn up. The D, at the thought of initiating conflict, something in them gets _____ and they get _____.

2. _____ confidence. What is a rather important, biblical synonym for the word confidence? _____!
3. _____. (Example of Child That's Sick).

Ezekiel 1:12, 17, 20 - we get our doctrinal _____ from our _____. (Examples of Godly Men).

WEEK # 8 CONT'D

Doctrinal Emphasis of the D, I, S, and C

- 1) The D - enjoy a fight to accomplish a goal, calm confidence, and perseverance.
- 2) The C - are the second best _____. Eagles have claws. They tend to fight about the _____ where D's are fighting about the _____. They are weakest in _____. They are sensitive to the _____ -- the _____. (Examples of Godly Men and Women). The eagle never attempts to fly vertically. It flies horizontally looking for the _____. The only time you have a C with confidence is when he says, "The _____ moved me."
- 3) The S - second only to D's in _____. They are best at _____. Above all else, an S hates _____. When God calls the body to one-on-one relationships, he calls the S's.
- 4) The I - can be aggressive, but have a double weakness in that they don't like fighting at all and also want everyone happy. They're weakest of all in _____.

All Three Passages - end with the four-faced man _____ in worship before the throne of God. The giftings must always honor and worship the king. (Example of D vs C in the area of Healing).

Last Point - each person's doctrinal emphasis comes from your _____. (Examples).

4 PERSONALITY GIFTINGS PART 8 THE BIBLICAL SIGNIFICANCE OF D.I.S.C.

DISCUSSION QUESTIONS

- 1) What new truths did you learn about the personality giftings through this teaching?

- 2) How does your personality gift influence your doctrinal emphasis? _____

WEEK # 9

4 PERSONALITY GIFTINGS PART 9

JOY

3 GREEK WORDS

1 - "CHAR" = " _____ "

I don't believe most Christians understand the theological significance of the word "JOY".

Hebrews 1:9 - "You have loved righteousness and hated wickedness; therefore God, your God, has set you above your companions by anointing you with the oil of joy."

The Greatest Reward God Gives Anybody Is -- _____! The only thing that even comes close to joy is _____. Joy is "Peace PLUS"! Joy is "Peace with BUBBLES"! Joy will set you above every other person around. (Examples).

Psalm 51:12 - "Restore unto me the joy of my salvation." David knew the joy of the Lord, and it was because he knew the joy of the Lord that he so totally and completely repented. When you know the joy of the Lord, the emptiness of sin is such an anguish that you repent.

Nehemiah 8:10 - "The joy of the Lord is your strength." People who know the joy of the Lord always become _____ in the Lord.

Hebrews 12:2 - "Let us fix our eyes on Jesus, the author and perfection of our faith, who for the joy set before Him endured the cross". When joy is set before you, you can endure _____ and they won't hurt you.

How important in the Christian life is the word "GRACE"? - Grace is just about it. Isn't it true that to be out of God's grace is the worst place for a Christian to be? At the same time, the best place for a Christian to be is in the center of God's grace!

2 - "CHARIS" = " _____ " ("IS" = "to _____ or _____")

If "CHAR" is "JOY" and you add the suffix "IS"

What does the word "CHARIS" mean?

To _____!

WEEK # 9 CONT'D

This means that that when you lose your joy,

You are out of _____.

>>> Stories About Joy & Grace <<<

John 15:11 - "I have told you this so that my joy may be in you and that your joy may be complete." FIGHT to keep your joy!

>>> Comments on Faith and Healing <<<

3 - "CHARISMA" = " _____ " ("MA" = " _____ or things you _____")

The word "CHARISMA" means

Things you do that _____ !

Have you ever wondered, "I wish I knew what my spiritual gifts are?" Find the things you do that bring you joy, and you have found your gifts!

A Charismatic is someone who believes that the gifts are for today! A Charismatic is also someone who finds joy in the things they do!

1 Cor 12:4, 9-10 - (Kenneth Copeland Example). When we begin to understand that faith is a gift, the people who enjoy Ken Copeland don't expect everyone else to enjoy him as much as they do. The people who don't enjoy him don't _____ those who love the man.

Verses 27-30 - (Explanation of Tongues). The main point of these verses is about two words - two of the most frightening words you've ever heard. The two words are:

>> GIFT _____ <<

" _____ is the most important,
and _____ should think that way."

>> Examples of "Gift Projection" <<

If you let someone project their gifts on you, you will lose your _____.

- 3) In what areas of your life are you lacking joy, or (to ask it another way) in what areas of your life are you out from under God's grace? _____

- 4) Are you guilty of "Gift Projection"? How did this sermon affect you in this area? _____

WEEK # 10

4 PERSONALITY GIFTINGS PART 10 ROTATE YOUR GIFTING

John 7:37-38 - Whoever believes in me as the scripture has said, streams of living water will flow from _____. A better translation: from your _____ being. There's a message here, that the rivers of the Spirit don't come through surface-y issues, but something deep inside of you.

I want to define the difference between a _____ person and a person who knows how to get _____ into their own soul.

Psalm 42:1 - as the deer pants for streams of water, so my soul pants for you oh God. That's the context of this passage.

One Poetic, Haunting Phrase In Verse 7

_____ Calls to _____

DEFINITIONS

A **shallow person** is someone who denies the importance of their _____.

A **deep person** is someone who acknowledges the importance of their _____.

Example - do you know what the summation of a two way conflict between a husband and wife is? Two people both denying the _____ of their weaknesses.

* * * * *

Ezekiel 1:1, 4-6, 10 - Ezekiel saw heaven and saw man at the throne of God, at his most glorious, as he's meant to be. They had four faces (2 Corinthians 3 - the glory of God is reflected on our _____), a four-fold reflection of the glory of God. (Comments on the 4 Personality Giftings teaching). Today is a completion of the message.

The Four Faces of Man is not a message to you about your personality.

The Four Faces of Man is message of what's _____ to God.

D. I. S. C.

>> The D gift (Lion) is God saying _____ is important to Me.

>> The I gift (Man) is God saying _____ is important to Me.

>> The S gift (Ox) is God saying _____ is important to Me.

>> The C gift (Eagle) is God saying _____ is important to Me.

WEEK # 10 CONT'D

Do you really want a constant thirst for the Holy Spirit every day?

Thirst for the Holy Spirit always starts in your _____ (your _____).

It lasts _____ months.

Then the Holy Spirit says, "Let me complete the picture of Jesus in you in your area of _____."

If you are shallow, you say, "No, those areas aren't _____."

The main message hasn't changed: we still want to look like _____.

Romans 8 - mentions the Holy Spirit 21 times. It caps in verse 29. God looks at you and He says, "I expect and call you to be 100% D, 100% I, 100% S, and 100% C. Some of those I gave you as a natural strength and you will walk in. Some of those, you are so weak in you will have to cry out to Me every day to fill you."

2 Illustrations

1. Being negative, critical, hot-tempered or attacking - which gifting almost never deals with this? The S gifting. What is the root deception of someone who is this way? _____ the extent of the _____ they cause.

Question - how many of you have had a situation where someone you trusted caught you by surprise and ripped you? How long would it take you, if that person bore the fruit of repentance and walked as an S, to trust that person you trusted them before they attacked you? It is honest to say 6-12 months. People who are negative deny that, and they look down on the S personality.

2. People who are overly eager to please - which gifting is not this? D's. The summation of their life is "I _____." They get abused and then the harder they try to please anyone. What is the denial? They are denying the importance of _____. If they would go deep, they would look at Godly D's and say, "That's important." (Example of how a Godly D acts).

2 More Scriptures

1. **Ezekiel 1:12,17,20** - each one went straight ahead. Wherever the Spirit would go, they would go without turning as they went. (Example).
2. **2 Corinthians 12:9-10** - Jesus said to Paul, "My power is made perfect in _____." Paul said, "I will glory in my weaknesses so that Christ's power may rest on me."

You're called to look like Jesus. In some of these areas, it's natural. In some of these areas you've got nothing in your natural soul and your thirst is so much deeper.

WEEK # 10 CONT'D

4 PERSONALITY GIFTINGS PART 10 ROTATE YOUR GIFTING

DISCUSSION QUESTIONS

- 1) Based on what you learned in this teaching, are you a “deep” person or a “shallow” person, and why? _____

WEEK # 11

4 PERSONALITY GIFTINGS PART 11

WHEN GOD SHOUTS

John 7:37-39

The most significant and direction-giving passage in all the New Testament on the Holy Spirit.

Summary of Last Week

If you want a daily, constant thirst for the Spirit,
from what part of your soul will that thirst flow through?

Will it flow through the part of your soul where you have your . . .

<p>Greatest victories, character, perceptivity, strengths?</p> <p style="text-align: center;">Or...</p> <p>Greatest frailties, awkwardness, failures, weaknesses?</p>

Answer

Your _____.

Your whole life hinges on grasping that truth.

This Week

I want to take you through what this scripture is saying
in the personal subject of your _____.

- ✍ **John 7:37-39** – “streams of living water will flow from within him.”
 - ✍ “from within” = “from his _____”
- ✍ **Marriage** – your mate is the key to unlock the permanent thirst in your soul.
- ✍ **When God Shouts** – most of the time, God whispers. John 7:37 says God shouts! There are times that God yells.
 - ✍ When is the time that God is yelling his direction to you?
 - ✍ Like it or not, it is when you _____.

WEEK # 11 CONT'D

We all want the Power of the Spirit

- ? You want *permission* to *participate* in the *potent power* of the Spirit!
- ? You want the *peace* of the Spirit!
- ? You want to *possess* the *perfect permanent peace* of the Holy Spirit!
- ? You want the *passion* of the Spirit!
- ? You *plan* to *partner* in the *passion* of the Spirit!

Beyond that . . .

There's an Intellectual Ability that comes through the Holy Spirit

- ? You *propose* to *produce* the *penetrating perceptivity* of the Holy Spirit!
- ? There's another name for the Holy Spirit in scripture – the *Paraclete*!
- ? You *propose* to *produce* the *penetrating perceptivity* of the *Paraclete*!
- ? The best blessing of the Holy Spirit is the _____ of the Holy Spirit.
- ? It is the *privilege* of being *permeated* with His *precious presence*!
- ? It is *placing a premium* on His *pleasure* and His *personality*!
- ? It is the *protection* you *procure* when He *pervades* your *person*!
- ? You want to *profit* and *prosper* from the *plethora* of *promises* of the Holy Spirit.
- ? I haven't even talked to you about the *piety* and *purity* that the Holy Spirit can *pour* through you!

You know what's most *petrifying*?

In each section I didn't repeat a single 'P' word!

They were all accurate!

They all are for naught unless we grasp the *most important* 'P' word:

The _____ of the Spirit.

- ? The Holy Spirit is not a stagnant electrical field.
- ? The Holy Spirit is a river.
- ? He is a person moving in a direction and His purpose and direction is _____.
- ? So many people thirsted for the Spirit for a season because they stepped into the river of the Spirit ankle deep and knee deep. The Spirit began to pull them along and say, "I want you to love your wife like I love the church, etc" and they said "No! I can't go that far".

Bottom Line Question

If you're married

Who do you love _____

Your _____ or _____?

WEEK # 11 CONT'D

Scriptures

- ? **John 15:13** – the issue is not, “Do you have love?” but “How do you _____ love?”
- ? **Galatians 5:22** – the second fruit of the Spirit is joy. The third fruit of the spirit is peace. Those are pure, raw reward. The first fruit of the Spirit is always _____.
- ? **1 Corinthians 12-14** – chapters 12 and 14 are the most extensive study on the gifts of the Spirit in all the Bible. The loudest message in that passage is that Paul stops the teaching in mid-sentence. Between 1 Corinthians 12 and 14 he interjected a chapter we call “the love chapter”.

The issue is
You cannot have the Blessings of the Spirit
Unless you have counted the cost of the Purpose of the Spirit
And the Purpose of the Spirit is Love

Mathematical Equation

- ? Your mate has certain personality strengths.
- ? In some of those personality strengths, you have weaknesses.
- ? Marriage is the gift God gives you to unlock the thirst in your soul for the Spirit of God to complete the picture of Jesus in you.
- ? The thirst comes from this specific point in your life – in the areas where your mate is strong, you have identified what is _____ (their value system).
- ? The bottom line is, you made a decision sometime in the last twenty years. If you said, “You’re the detailed analyzer and I don’t give a flip about being more organized” or “You’re enthusiastic enough for the both of us”, you are saying “I don’t give a flip about those things, therefore I don’t give a flip about you”.
- ? (Examples)

Last Week

- ? DISC is not an excuse to be a personality specialist.
- ? I want to be like Jesus.
- ? (Carlis Martin’s story)

How To Grow In Areas Where
Your Mate Is Strong
And You Are Weak

1 – Understand _____
(Genesis 32)

WEEK # 11 CONT'D

- ✍ Jacob is the loudest picture in all Scripture of a man who God chased down and said, “Face your weaknesses”
- ✍ He ducked around God until he got cornered.
- ✍ For the first time of his life, Jacob the sneak was facing the consequences of his actions and his family was going to die for it.
- ✍ The single reason Jacob faced his weaknesses was because his family was paying the price for him denying the importance of his weaknesses.
- ✍ Six minutes of wrestling would exhaust most people and he wrestled all night.
- ✍ He held onto the angel and would not let go until the angel spoke over him, “I’m changing that weakness in you. No longer ‘sneaky’ Jacob, but Israel ‘one who deals with God.’”
- ✍ He smote his hip. That smote hip is a message to us. After he smote his hip, could that hip bear full strength? No. Could it bear some strength? Yes.
- ✍ (Example of Carlis Martin)

a. Can’t bear full strength, can bear some strength

b. It’s the _____ that expresses the _____

> Example of Carlis Martin <

2 – Understand the _____ and the _____

✍ “D” Gifting

✍ **Motive of a “D”** – _____. (Examples). If you are married to a ‘D’, you say, “God, give me the motive of loving strength.”

✍ **Method of a “D”** – _____. (Examples). If I could take all the money in the world and bribe people married to ‘D’s so they would stop talking, especially in the area of problems. If you are married to a ‘D’ they want you to say, “I sweated bullets over this and went here and here” and they’ll say, “What’d you find out?”

✍ “I” Gifting

✍ **Motive of an “I”** – to help people _____. I’s have antennas into hearts. They walk in a room, and they can tell you who are the five most uptight, hurting people in that room. All of their noise is all for a motive of getting them to unload! When the “I” walks in the room, people watch the “I”, but the “I” looks at the uptight ones.

✍ **Method of an “I”** – _____ and _____. Everyone is physically capable of being loud. (Example of John David). Message for the sourpusses – there’s a very godly reason for volume inflections and multiple adjectives that has nothing to do with attention to yourself. It has to do with having the heart of God that says, “Your heart’s all bound up and if I pour on your enough you’ll get a picture of just how great God thinks you are.”

WEEK # 11 CONT'D

✍ “S” Gifting

✍ **Motive of an “S”** – that _____.
 _____ (Example of John and Beth). The ‘S’ gift lives for one point in life. The ‘D’ prides itself on being forward focused, but ‘D’s are not even in ‘S’s league on being forward focused. ‘D’s focus is 5 years and 10 years down the road, but ‘S’s focus is, ‘What will be the summation of my life on the day I die? It will be a whole lot more important that I was nice to people than I had a clean closet. It will be more important that I was gentle and kind and patient than that I knocked over three people to get a promotion. It will be more important that I had the warmth of the Lord than that I made a million bucks.”

✍ **Method of an “S”** – _____ and _____. ‘S’s understand that 99% of the time when you are in a rush it’s not God. (Example of John and Beth).

✍ “C” Gifting

✍ **Motive of a “C”** – their heart motive is to _____.
 ‘C’s as non-Christians are more aware of God than any of the giftings. That’s why they want things done right because if this closet is organized it gives glory to God!

✍ **Method of a “C”** – _____ and _____.
